# MONTANA STATE EMPLOYERS' COUNCIL (MSEC) AWARDS PROGRAM

#### INTRODUCTION...

An active awards program is an important part of the Montana State Employers' Council. It is important to acknowledge individuals and groups who give of themselves to our state and communities. These individuals and groups show leadership, initiative and creativity to accomplish needs and goals for their communities, state and the Department of Labor and Industry. Recognition through awards is a way to say "Thank You" for a job well done.

The purpose of this document is to provide you with assistance in preparing and submitting entries for the awards categories. If you have any further questions, please contact State JSEC Coordinator Kay Strayer at <a href="mailto:kstrayer@mt.gov">kstrayer@mt.gov</a> or 406-444-9081.

#### **HELPFUL HINTS...**

- 1. **SELECTION OF AWARD WINNERS** is based on who demonstrates the most significant accomplishments.
- 2. **SUPPORTING DOCUMENTATION –** Evidence is important, but don't overdo it. Keep to the facts. Documentation supports the written narrative. To jog your memory, review your calendar, minutes from meetings, and literature on special projects done.
- 3. **CONTENT -** The content of your award nomination is more important than fancy packaging. Remember, nominations are limited to one (1) typed page, so concentrate on having a concise, neatly presented nomination, rather than colorful graphics, bells or whistles.

#### **GENERAL AWARDS CRITERIA:**

Criteria places emphasis on outcomes and results. Quality and innovation are more important than quantity. The underlying question the Awards Selection Committee will ask is:

"How is the state or community a better place because of what this JSEC or individual has done?"
